<p><i>Cool Roof Rating Council ratings are determined for a fixed set of conditions and may not be appropriate for determining seasonal energy performance. The actual effect of solar reflectance and thermal emittance on building performance may vary. Manufacturer of product stipulates that these ratings were determined in accordance with the applicable Cool Roof Rating Council procedures.</i></p>			

The Cool Roof Rating Council (CRRC) has reviewed the test results data provided by a CRRC-approved ISO 17025 accredited testing laboratory (with the exception of test results data provided by an Accredited Manufacturer Testing Laboratory) and has determined this exterior wall product meets the requirements described in the CRRC-2 Program Manual. This Notification of Rating is subject to all terms and conditions of the Licensee Agreement and the documents incorporated therein by reference. This document must be reproduced in its entirety.

The Notification of Rating certificate for the approved initial ratings is valid until an updated certificate is issued by the CRRC that includes the approved three-year aged ratings. The certificate with the approved three-year aged ratings is valid until either the CRRC or Licensee removes the product from the CRRC Rated Wall Products Directory.
